Autumn 2005

This year's lengthy autumn has given me plenty of time to write this report – winter stands at the door, but seems reluctant to enter in.

Even so, I haven't got much to report. Your committee has not been very busy. They have been deservedly putting their feet up after a busy summer.

(A) League:

That dreadful Saturday at the beginning of September seems a long time ago and it doesn't now seem such a disaster as it did to me at the time. I made a case to the league authorities for Ditchling to be given special treatment but it seems to me now that this will come to nothing and our two league sides will get what they will get. Never mind, I know that we will play good and enjoyable cricket next summer.

(B) Annual Dinner:

I am very pleased to report that Patrick Nolan and Nigel Adams are organising our annual dinner this year. I cannot think of two better people to organise a party. The date is Saturday 8th April 2006. I can't supply any more details at the moment, but suffice to say that, after a couple of duff years, this year's event will be rather different and much improved.

(C) AGM:

We like auspicious dates and so this will take place at 8pm on Friday 13th January 2006 at the White Horse restaurant. Light snacks and refreshments will be laid on. There will be some important and new items on the agenda so come along and have your say.
